July 2022- March 2023

Ducate Training institute Noida

Real time project

Real-Time Project Highlights: Portfolio & Noteworthy Achievement

Introduction: I present two key highlights from my real-time projects: my portfolio and a notable achievement showcasing my expertise.

1. **Portfolio:** A curated collection showcasing my skills, achievements, and experiences.
2. **Responsive Web Design:** FreeCodeCamp Addressed a challenge, displaying technical proficiency and receiving positive feedback.

Using : HTML, CSS, BOOTSTRAP & JAVASCRIPT

Conclusion: My portfolio and Responsive Web Design exemplify my dedication and expertise.

April 2023 - June 2023

Personal Project

Welcome to my personal website! Test your intuition and logical thinking with the thrilling "Guess the Number" game. Try to guess the randomly generated number within a given range. Can you uncover the mystery number? It's a fun and challenging way to spend your time. Sharpen your problem-solving skills and enjoy the excitement of discovering the hidden number. Head over to my website and put your guessing skills to the test. Good luck, and may the odds be in your favour as you embark on this thrilling adventure!

Using : HTML, CSS, BOOTSTRAP & JAVASCRIPT
